

# TABLE OF CONTENTS

## Chapter 1 Introduction

## Chapter 2 Installation

|                    |     |
|--------------------|-----|
| Prerequisites..... | 2-1 |
| Installation ..... | 2-1 |

## Chapter 3 Setup Guide

|                      |     |
|----------------------|-----|
| Planning Guide ..... | 3-1 |
| Setup Example .....  | 3-1 |

## Chapter 4 Programming

|                             |     |
|-----------------------------|-----|
| Overview.....               | 4-1 |
| User Options .....          | 4-1 |
| Record Format Layouts ..... | 4-3 |

## Chapter 5 Application Program Interfaces

|                                                                    |     |
|--------------------------------------------------------------------|-----|
| Send to Remote Host (BCCSNDRH) API.....                            | 5-1 |
| Build Data Collection (Settlement) Batch File (BCCBLDDC) API ..... | 5-4 |
| Return Data Layout.....                                            | 5-8 |

## Chapter 6 Define Tailoring Options

|                                     |     |
|-------------------------------------|-----|
| System Statistics .....             | 6-1 |
| Passwords.....                      | 6-2 |
| Miscellaneous Options.....          | 6-2 |
| Manage Application IDs.....         | 6-2 |
| Access the BDS Software Server..... | 6-4 |

## Chapter 7 Define Remote Hosts

## Chapter 8 Define Merchant IDs

# TABLE OF CONTENTS

## **Chapter 9 Displaying Authorization Transactions**

|                             |     |
|-----------------------------|-----|
| Transaction Display .....   | 9-2 |
| Request Data Display.....   | 9-4 |
| Response Data Display ..... | 9-5 |

## **Chapter 10 Logging**

|                                      |      |
|--------------------------------------|------|
| Display the Credit Card/400 Log..... | 10-1 |
| Purge the Credit Card/400 Log .....  | 10-3 |

## **Chapter 11 Controlling Remote Hosts**

|                             |      |
|-----------------------------|------|
| Starting Remote Hosts ..... | 11-1 |
| Ending Remote Hosts .....   | 11-1 |

## **Appendix A Banks/Gateways**

|                                  |     |
|----------------------------------|-----|
| Information Request Form.....    | A-1 |
| Vital™ Gateway Information ..... | A-1 |

## **Appendix B Securing Credit Card/400**

|                        |     |
|------------------------|-----|
| Minimal Security ..... | B-1 |
| Moderate Security..... | B-1 |
| Maximum Security.....  | B-2 |

## **Appendix C Electronic Media Distribution**

## **Appendix D Card Reader Hardware**

|                      |     |
|----------------------|-----|
| Keyboard Wedge ..... | D-1 |
|----------------------|-----|
