

TABLE OF CONTENTS

Chapter 1 Introduction

Save Operations Features.....	1-2
Restore Operations Features	1-4
Display IFS & Network File Features.....	1-5
Display BDS Personal Cloud Backup Features	1-5

Chapter 2 Installation

Prerequisites.....	2-1
Installation	2-1
Planning Guide.....	2-3

Chapter 3 Main Menu

Administration	3-1
Save Operations	3-2
Restore Operations.....	3-4
Display Operations.....	3-5

Chapter 4 Define Tailoring Options

System Statistics	4-1
Passwords.....	4-2
Other Options.....	4-2
Access the BDS Software Server.....	4-3

Chapter 5 Define Remote System Specifications

Chapter 6 Define Backup Specifications

Chapter 7 Save Operations

Save Library Operations	7-1
Save Objects Operations	7-4
Save Changed Objects Operations	7-7
Save IFS Objects Operations	7-10
Save System Information Operations	7-13

Chapter 8 Restore Operations

Restore Library Operations.....	8-1
Restore Objects Operations.....	8-3
Restore IFS Objects Operations.....	8-4

TABLE OF CONTENTS

Restore System Information Operations	8-5
---	-----

Chapter 9 Display Operations

Display a Backup Image in an IFS File	9-1
Display a Backup Image in a Network File	9-1
Display a Backup Image in the BDS Cloud.....	9-2
Display Remote System Backup Groups/Jobs.....	9-4
Display Backup Jobs in a Backup Group.....	9-6
Change Session Settings	9-7
Restore Displayed Objects.....	9-8

Chapter 10 Display Saved Library Objects

Library Display	10-1
Object Display	10-2
Attribute Display.....	10-4
Change Object Display Specifications.....	10-7
Display Saved File Members/Spool Entries	10-7

Chapter 11 Display Saved IFS Objects

Attribute Display.....	11-2
------------------------	------

Appendix A Electronic Media Distribution

Appendix B Tutorial

IFS and QNTC Example	B-1-1
Network File Example	B-2-1
BDS Personal Cloud Example	B-3-1

Appendix C Release Compatibility Table

Current Release Table.....	C-1
----------------------------	-----

Appendix D Other Considerations

DR/HA Replication (Mirroring) Considerations	D-1
Saving Remote Backup Organizer Data	D-1

Appendix E ASP Considerations

Setup/System Considerations.....	E-1
----------------------------------	-----

TABLE OF CONTENTS

Operational Considerations.....	E-2
Moving Product Libraries to other ASPs.....	E-2
Running Multiple Instances in an LPAR.....	E-2
